Battery Heated Clothing User's Guide

Step 1: Fully Charge the Battery Plug the adaptor into the wall and connect the battery. The **Red** light on the adaptor indicates that the battery is charging. The **Green** light indicates that the battery is charged.

Step 2: Connect the Battery On the inside of the garment, locate the pocket on the lower left side and find the plug inside. Connect the plug to the battery. The **+** button on the left chest of the garment will flash yellow, then turn off. This indicates that the battery is properly connected. Next, place the battery inside of the pocket.

Step 3: Power On Press and hold the **+** button on the left chest for 2 seconds until the button lights up in red.

Step 4: Adjust the Temperature Click the **+** button on the left chest of the garment to change the temperature settings. (*Heating time may vary based on condition of the battery.)

Red = High Heat (1.5Hrs) / Yellow = Medium Heat (3Hrs) / Green = Low Heat (5 Hrs)

Step 5: Power Off Press & hold the **+** button on the left chest for 2 seconds until the light on the button turns off.

Storage Tips Store in a cool dry place. Fully charge the battery before each use. Fully charge the battery prior to storing and at least once every 6 months of storage thereafter.

Wash and Care Remove the battery from the garment prior to washing. Hand wash in cold water only. Hang dry. Do not iron. Do not use bleach or cleaning solvents. Do not twist or wring. Do not turn power on when garment is folded.

Warning Avoid direct contact with all liquids. Never tamper with connection or use other power source.

Helpful Reminders

It is advisable to wear the garment over an undershirt and not directly on the skin. Do not apply the garment to sensitive skin areas, acute injuries, and open wounds. This garment is not recommended for use by children, pregnant women, and immobile individuals with disabilities. In the unlikely occurrence of skin discomfort and irritation, immediately discontinue the use of the product; consult your physician and health care professional. Product may not be returned once opened & used.
